# Terms of reference

The study needs to reflect on the following aspects of Natura 2000 implementation:

- Natura 2000 in the national nature conservation framework
- International commitments and their relation to Natura 2000
- The designation process of Natura 2000
- The status of Natura 2000 in the country (sites, obligations, sectoral integration)
- The challenges of Natura 2000 implementation, with regards to:
  - adjustment to the legal framework,
  - law enforcement,
  - public perception and support,
  - investments in and around Natura 2000 sites,
  - possibilities for improvements,
  - best practices.
