## **TENDER**

CEEweb for Biodiversity (1021 Budapest, Széher út 40., Hungary, registration no. 1634) makes this Tender for a study to be completed by 31<sup>st</sup> October 2019. Organisations and individual are both eligible to apply.

Subject of the tender: Study on Natura 2000 bad practices, showing “Where Natura 2000 went wrong”.

Summary of tasks to be performed: professional research and study on the well-known and assumed weaknesses of the implementation of the Natura 2000 network in Europe. The paper should include a short overview of the Natura 2000 network and its policy background and a critical analysis of the reasons leading to its mixed success of implementation and uncertain future. The study shall also discuss the importance and ways to overcome these obstacles in the future.

Tasks to be performed:

Preparation of a study including the following key tasks:

- Research of Natura 2000 implementation and policy background in Europe
- Research of Natura 2000 weaknesses, challenges and bad practices
- Literature review of Natura 2000 bad practices and challenges
- Literature review of Natura 2000 funding
- Overview of Natura 2000 implementation weaknesses
- Research of potential solutions to overcome Natura 2000 weaknesses
- Providing a study, conclusion and recommendations included.

Timeframe:

The work should start in July 2019 and should be completed by 31<sup>st</sup> October 2019.
